

Easter Chocodiles

Proceeds for East Timor

Dear friends,

2010 is going to be a massive year for ETWA. With critical new projects to resource, we've stepped-up our fundraising efforts and developed a new, economical- *and even more delicious*- Easter Chocodile!

Our funky Chocodiles are now hand-made by renowned chocolatier Hahndorf's using delicious, high-grade couverture chocolate, available in milk, dark and white to suit the most discerning of chocolate connoisseur's.

Inspired by East Timor's creation story, Chocodiles are a great (and ethical!) alternative to Easter eggs, with the Crocodile Legend included inside each pack to share with children (and adults!) of all ages.

At **only \$5.00**, each pack contains two 28gm cute, hand-made chocolate Crocodiles and eating chocolate never felt this good as you know the profits help East Timorese women and their families.

Order by mail, fax or email and pay by credit card, cash or cheque.

To receive your Chocodiles in time for Easter Sunday (4th April), orders and payments must be finalised **by Monday 22nd March**. Pre- Easter delivery will not be guaranteed for orders received after this date.

Indulge yourself this Easter and make the switch to ETWA Chocodiles!

Every order helps, so please encourage your friends, family and work colleagues to order Chocodiles to help free East Timorese women from the burdens of poverty.

Thank you in advance for your continued support!
